

Vestryperson of the Day Sunday Announcements

- The Rector Search Committee has been hard at work on the initial draft of the parish survey, targeting completion by the end of April. The parish survey will be online, with hard copies available for those who need it. We expect the survey to begin in mid-May. We will continue to provide updates on the Search committee, via the Illumination and eBlasts. Please hold the Search Committee in your daily prayers, as they continue this important work for St David's
- The children of St. David's are proud to present the musical "Oh, Jonah" next Sunday, April 18th, at 4pm in Jeffords Fellowship Hall. It's a unique and entertaining version of Jonah and the whale, and teaches us that we cannot run from our responsibility to God. There is even a whale that sings! We hope to see you there.
- We pray regularly about hardships and unfortunate situations both within our St David's family and the world. But there are also many pieces of "GOOD NEWS" that we don't always share with each other as openly or regularly. We have created a "GOOD NEWS WINDOW" in the hallway, leading from the old Parish Hall to the Nave. Please take a few minutes to add your good news and share with your parish family
