

St. David's Family Service, Sundays 9:00 a.m.

St. David's supports the needs of the child for full engagement in worship, to serve as an acolyte or to collect the offering, to participate in Children's Chapel, and to gather around the altar at Holy Communion to receive their own faith message from Father Remington or Father Chip.

What are some other ways children can help with worship? Children can:

- with their parents, act as greeters, welcoming families as they arrive at church, or stay after the service to connect with visitors and new families
- hand out the children's worship bulletins
- serve as acolytes (3rd-12th graders)
- assists ushers in passing the offering plate
- sing with the Basement Band

Children's Chapel (During 9:00 a.m. Family Service)

Each Sunday, after the opening prayers, children ages 4-years-old to 5th grade are invited to join our amazing team of youth and adult leaders to go to Children's Chapel. Children separate into 2 groups by age/grade for their chapel time. However, there is always flexibility for children to join in with either group if that works better for the child. Children return at the Peace.

Location: Children's Chapel is located in the classrooms in downstairs Jeffords Hall, in the building next to the main worship space.

Activities: Prayers, stories, crafts, check-ins and listening to other children. We play, sing, and pray together as we share God's love in the world around us.

Questions or want to help? Contact Judy Hine, Director of Children's Ministries.

Children's Chapel at St. David's 1:15 p.m. Hispanic Service

Capilla para niños durante la misa, nuestros niños son dirigidos por personas que relatan historias bíblicas, y les hablan sobre todo del amor de Dios por todos.
