

## Covid -19 Safety Protocols

At every gathering on our campus, we ask that you first honor Christ's command to love your neighbor as yourself – making decisions that demonstrate that love for your neighbor. Also, we must continue to comply with the CDC's COVID guidelines.

- **Since Fulton County with a currently high transmission rate we encourage all those who are attending Worship or gatherings to wear masks, whether they are vaccinated or not. We ask that we protect those who are not vaccinated or are vulnerable and vaccinated.**
- **We have masks available.**
- **We continue to encourage you to get vaccinated, in order to create a safer environment for our parishioners and guests.**

**Additionally, we will no longer require reservations or seating assignments for Sunday services.**
